NEEDATHON

In late August for the past two years we went to the homes of the families in need that we serve and gave the parent/s a \$100.00 Walmart voucher for each of the school age children. A parent with three children going to school received \$300.00 and so on.

The parents did not know they would be receiving this and at this point in time and this close to school they were at wits end to know what to do.

The Vincentians delivering these vouchers experienced everything from screams of joy to tears of gratitude from the recipients. Those parents went to bed that night very much relieved with this bit of stress out of their lives. They also realized that people in the community such as yourself do care.

For parents equipping their children for school is not an option. They must do it in the best way they can. If they don't, their children go to school and, in many cases, are made fun of and bullied. The parents realize this and know they are limited as what they can do without the resources. Most of the families we serve can't quite make ends meet each month and don't have extra income.

We visit most of our families in need every few weeks to bring them food, food vouchers and bus tickets. We also bring them information on programs that will help them.

WHAT CAN YOU DO?

We are asking for two things:

- 1.) **PARTICIPATE:** Come out Saturday morning **May 31st** and participate in whatever way you wish. There will be a great number of your neighbours there - Please join them. There will also be refreshments.
- 2.) **DONATE:** Whatever you can spare will help. No donation is to small or too big. At least 98% of all funds we receive go directly to our neighbours in need. Our administration costs are less than 2%.

We are please to give a taxable receipt (#132410671 RR 0122) for all donations **above \$20.00** and for this we need your address.
