

HOW ARE VINCENTIANS LIKE ELECTRIC VEHICLES?

EVs need to be plugged in to recharge their batteries to keep going. We Vincentians need be plugged into the Vincentian Family to recharge our batteries to continue our journey to meet and serve those in need among us.

**We become EVs, too.
Energized Vincentians!**

Plug yourself in!

at the Vincentian Family North American Gathering
Chicago, October 26-29.

**“Harmony in Diversity” - offers daily morning lectures and
two afternoon tracks**
