

# HOW DO ST. VINCENT DE PAUL YOUTH CHANGE THE WORLD?

Photo: facebook/SVDPLongIsland

You might see them loading gently-used furniture onto a truck. They pack up dishes, glassware, pots, pans, curtains and other household necessities. Anything that will help a homeless person or family get settled in a place to call home.

**They change the world with hope one family at a time.**

**Come meet them at the North American Vincentian Family Gathering In Chicago October 26-29**
