

We Are Friends

2026, Javier F. Chento

We Are Friends

When I smile at you, you smile at me,
That's the way friends love to be.
We can laugh and we can play,
We can make a brighter day.

**We are friends, yes, you and me,
Friends as happy as can be.
Hand in hand, we'll sing along,
Together we are strong!**

If you fall, I'll help you stand,
If you're sad, I'll hold your hand.
Friends are there through thick and thin,
Lift you up and cheer again.

Chorus

Sharing toys, sharing smiles,
Walking with you miles and miles.
Every day is more fun too,
Everything is bright with you!

**We are friends, yes, you and me,
Friends as happy as can be.
Hand in hand, we'll sing along,
Together we are strong!
Together we belong!**

Sing To God with Joy Today

**Sing to God with joy today,
Clap your hands and shout “Hooray!”
Loud or soft, in work or play,
Sing to God with joy today!**

When I wake up in the morning light,
I thank the Lord and start to sing.
The birds and sunshine are so bright,
I give my song to God, my King.

Chorus

When I’m happy, when I’m sad,
God is with me every day.
He’s the best friend I have had,
He loves hearing what I say.

Chorus

Sing with your heart,
Sing with your voice,
Make a happy, joyful noise!
Big or small, both near and far,
Sing to God just as you are!

At my home or at my school,
Everywhere I go each day.
“Thank You, God,” my song will say,
I will love You, come what may.

**Sing to God with joy today,
Clap your hands and shout “Hooray!”
All the world can sing and say:
“God, we love You!” — sing and pray!**

Sing to God... with joy!

I Love My Family

Thank You, God, for Mommy dear,
She gives me hugs and keeps me near.
Thank You, God, for Daddy too,
He plays with me the whole day through!

**I love my family, yes, I do,
Thank You, God, for all they do!
They give me love, they give me cheer,
Thank You, God, you're always near!
Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!
I love my family, yes, I do,
Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!
I love my family, yes, I do.**

Thank You, God, for Sister dear,
She gives me hugs and stops my fear.
Thank You, God, for Brother strong,
We sing and play all day long.

Chorus

Mommy, Daddy, all of us,
Thank You, God, for love and fun.

Sharing Is Caring

I have toys and you have toys,
Let's join in and share our joys.
When we share the things we love,
It's a gift we're proud of.

**Sharing is caring, yes it's true,
It makes me smile and helps you too.
When I share my toys and time,
Happy hearts begin to chime!**

I have crayons, red and blue,
Green and yellow, just for you.
Take one now and draw with me,
We're as happy as can be.

Chorus

When a friend feels sad or down,
I'll be there to stick around.
Sharing time and gentle care,
Shows my friend I'm always there.

Chorus

One for you and one for me,
That's how friends are meant to be.
Hand in hand and heart to heart,
Sharing love is where we start!

**Sharing is caring, yes it's true,
It makes the world feel bright and new.
When we share what we can give,
That's the best way we can live!**

Toys and colors, time and care,
Life is happier when we share!

God Made the World

God made the sky so big and blue,
He made the sun to shine on you.
He made the flowers, red and bright,
And tiny stars to light the night.

**Thank You, God, for all I see,
The world You made is good for me.
Green trees, blue oceans, birds that sing,
Thank You, God, for everything!**

God made the mountains, tall and strong,
He taught the rivers their happy song.
He made the animals, big and small,
He made the earth and loves us all.

Chorus

When I see a rainbow high above,
I feel the warmth of Your great love.
I look at the sky and say to You:
“Thank You, God, for all You do.”

Chorus

**Thank You, God, for land and sea,
You made the world for you and me.
Every color, every sound,
Your great love is all around!**

God made the world,
God made me...
and God made you!
God made the world,
God made me...
and God made you!

The Green Team

We ate a yummy yogurt, we drank a juice box too,
But wait a minute, friend, there's something we must do!
Don't throw it in the trash, don't toss it on the ground,
Let's keep our planet happy, the cleanest place around!

It's easy as can be.
For you and for me.
The Earth is our home,
let's keep it bright and blue,

Reduce, Reuse, Recycle!
Reduce, Reuse, Recycle!
The Green Team is calling...
and we want YOU!
we want YOU!

Paper goes in Blue, for the letters and the mail,
Plastic goes in Yellow, like a bucket or a pail.
Glass goes in the Green, keep it sparkly and neat,
Now the park is looking beautiful, and so is every street!

It's easy as can be.
For you and for me.
The Earth is our home,
let's keep it bright and blue,

Chorus

Wait! Before you throw that box away...
Could it be a robot? Or a castle where you play?
Use your imagination, give it one more try,
Before we say "So long!" and wave a big goodbye.

Chorus

Mary Said Yes

In a quiet town, so small and fair,
Lived a girl named Mary, with love to share.
She listened closely every day,
To God's holy word to guide her way.

**Mary said "Yes" with love and care,
She listened to God in humble prayer.
"Here I am," she softly replied,
"I'll walk the path with You by my side."**

An angel came one special day,
"Do not be afraid," she heard him say.
"God is with you, He loves you so,
You'll have a Son, the world will know."

Chorus

She did not know what lay ahead,
But trusted in the words He said.
With a heart so brave and true,
She faithfully said "Yes" to You.

Chorus

**Mary said "Yes" — a shining light,
She chose God's love and what was right.
We can say "Yes" like Mary too,
And follow Him in all we do.**

Thank you, Mary, for your "Yes,"
You teach us trust and gentleness.
We'll listen close each time we pray,
And follow God in every way.

Hail, Mary

Hail, Mary, full of grace,
the Lord is with thee,
the Lord is with thee.
Hail, Mary, full of grace,
the Lord is with thee,
the Lord is with thee.
Blessed art thou amongst women
and blessed is the fruit of thy womb, Jesus,
the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death,
now and at the hour of our death.

Hail, Mary, full of grace,
the Lord is with thee,
the Lord is with thee.
Hail, Mary, full of grace,
the Lord is with thee,
the Lord is with thee.
Blessed art thou amongst women
and blessed is the fruit of thy womb, Jesus,
the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death,
now and at the hour of our death.

Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death,
now and at the hour of our death.
Amen.

Doing Good Makes No Noise

**Doing good makes no noise, and making noise does no good;
We choose the quiet path of love, the one that Jesus chose.
With steady hearts and open hands, we serve in gratitude;
Doing good makes no noise, and making noise does no good.**

We choose a simple way to live, with nothing to disguise,
We speak with honest words of hope, with truth that never hides.
We share our time, our listening ear, in every neighborhood;
For simple love can change a life like nothing else could do.

Chorus

We do not need a place up front, nor titles, nor acclaim,
We're glad to stand among the rest and never claim a name.
We learn from those who suffer most, and serve where few folks would;
For humble hearts can lift the world when shared for someone's good.

Chorus

We choose a calm and gentle tone when tempers start to rise,
We answer anger with respect, and meet harsh words with kind.
We hold the peace inside our hands, as best disciples could;
For gentle ways can heal a wound better than force ever would.

Chorus

We set aside our comforts when a neighbor needs our care,
We let go of our plans and give the time we meant to spare.
We offer small and daily "yes," whatever comes or should;
For giving up a little bit can help another's good.

Chorus

With eager hearts we rise each day to love without delay,
We look for chances everywhere to serve in a concrete way.
We go where God invites us in, and serve the best we should;
For love that acts with all its strength spreads hope throughout the world.

Chorus

God Is Good

I love God, yes, I do,
God loves me and loves you too.
I love God, yes, I do,
God loves me and loves you too.

**Clap, clap, clap your hands,
Jump as high as you can!
Smile big, sing out loud,
I praise my God, I'm happy now!
Clap, clap, clap your hands,
Jump as high as you can!
Smile big, sing out loud,
I praise my God, I'm happy now!**

God is good, God is near,
He is with me, loud and clear.
God is good, God is near,
He is with me, loud and clear.

Chorus

God made the sun, God made the sea,
God made you and God made me.
God made the sun, God made the sea,
God made you and God made me.

Chorus

I love God, yes I do!
I love God, yes I do!
I love God, yes I do!
I love God, yes I do!

Look Up and Share the Day

I've got a screen that shines so bright,
Games and videos, day and night.
It's fun to watch, it's fun to play,
But there's a world just steps away.
When I look up, what do I see?
Smiling faces, just like me.

**Look up, look up, come and play,
Put the little screen away.
Laugh and talk and learn to care,
Life is best when we all share.
Look up, look up, don't delay,
Give a smile and start your day.**

Mom and Dad and friends so dear,
Running, jumping, full of cheer.
Stories told and jokes so funny,
Everything feels bright and sunny.
A hug, a laugh, a friend to hold,
Better than a screen of gold.

Chorus

Screens are fine for just a bit,
But there's more than where we sit.
Hearts together, side by side,
With our eyes open wide!

Chorus

**Look up, look up, come and play,
Put the little screen away.
Side by side and face to face,
Love is found in every place.
Look up, look up, here we stay,
Happy hearts in every way.**

I'll look up and you will too,
A world of color, me and you.
Screens can wait, let's go and play,
Let's go out and start the day!

Saint Vincent, Friend To All

Hey kids! Come closer and listen carefully... Today I want to tell you a wonderful story about a man who cared for everyone— the poor, the sick, the lonely, and the forgotten. His name was Vincent de Paul, and he showed the world how big a heart can be. Ready to sing his story with me? Let's go!

A young boy lived in a village so small,
Who dreamed of helping people, one and all.
He grew up learning kindness was the way,
To brighten up the world every single day.

**Oh, Saint Vincent de Paul,
He answered every call.
He cared for all who cried,
Stayed always by their side.
Oh, Saint Vincent de Paul,
He showed us love for all!
Let's follow in his way,
And bring hope every day.**

When Vincent saw someone sad and alone,
He'd sit with them and help them feel glad.
He taught us sharing makes our hearts grow wide,
And joy is found when we stand by their side.

Chorus

So when you see someone needing a friend,
Remember Vincent and the love he would send.
A smile, a hug, or lending a hand—
That's how we spread kindness across the whole land!

Chorus

He cared for all who cried,
Stayed always by their side.
Yes!
Stayed always by their side.
Yes!

Love Like Jesus Loves

Jesus loves me, yes it's true,
Jesus loves me, He loves you.
Short or tall, or young or old,
His love is more than shining gold.

**Love like Jesus every day,
Kind and gentle in every way.
Love like Jesus, hear His call,
There is love enough for all!**

If you're different, that's okay,
He made us in a special way.
Different faces, different names,
In His heart, we're all the same.

Chorus

Share a smile, help a friend,
Love and kindness never end.
Say kind words, do what's right,
Be a warm and shining light.

When a friend is feeling blue,
Jesus loves them, just like you.
Take their hand and show you care,
Spread His love everywhere.

Chorus

**Love like Jesus every day,
Kind and gentle in every way.
Love like Jesus, near and far,
God loves you just as you are!**

Jesus loves me, yes, it's true,
Now I'll love like Jesus too.

God Smiles at My Questions

Sometimes I ask, "Why is the sky blue?"
Sometimes I ask, "God, who are You?"
I ask in the morning, I ask at night,
With a curious heart and eyes so bright.

I don't have all the answers yet,
But God hears every prayer I've set.

**God smiles at my questions, big and small.
He loves to listen, whenever I call.
Asking is loving, asking is true,
God, I'm just talking to You.**

"Where is heaven? Is it high?"
"Do You live up in the sky?"
"Are You near me? Can You hear?"
God says softly, "Yes, I'm here."

I don't ever have to be afraid,
Of every question that I've made.

Chorus

Some may say, "Don't ask too much,"
But God has such a gentle touch.
Each "why" helps my faith to grow,
Walking with God wherever I go.

**God smiles at my questions, night and day.
He hears the words that I say.
Asking is brave, a beautiful start,
God loves the wonder in my heart.**

So I'll keep asking, yes, I will,
Trusting God and standing still.
With every question, old or new,
God smiles back and says, "I love you."

A Forgiving Heart

Friends can make a small mistake,
Words can ruin games we play.
I feel sad or maybe mad,
But I'll have a better day.

**Stop and breathe and count to three,
Let my heart feel calm and free.
Kindness starts inside of me,
That is how I want to be.**

**I forgive and I am kind,
Leave the hurt so far behind.
Now my heart is feeling light,
Like a sun so warm and bright.
I forgive, yes I do,
Smile and start a day anew.**

When a game is not quite fair,
It is hard for me to care.
Holding anger deep inside,
Is where happy feelings hide.

**Stop and breathe and count to three,
Let my heart feel calm and free.
Kindness starts inside of me,
That is how I want to be.**

I am strong and I am brave,
Peace is what I want to save.
Like a hero, I will grow,
Letting all the anger go.

**I forgive and I am kind,
Leave the hurt so far behind.
Now my heart is feeling light,
Like a sun so warm and bright.
I forgive, yes I do,
Smile and start a day anew.**

Take a breath, let it go,
Watch your happy feelings grow.

We Praise God!

I thank the Lord with all my heart,
I've loved Him right from the very start.
He makes me laugh, He helps me grow,
He loves me more than I could know!

**Clap your hands, clap-clap-clap today!
Jump up high and shout "hooray!"
Big, big smiles, let them show,
We love God—from high to low!
Clap your hands, clap-clap-clap today!
Jump up high and shout "hooray!"
Big, big smiles, let them show,
We love God—from high to low!**

I wave my hands, so wild and free,
Clapping loud for all to see.
I move my feet, I hop, hop, hop,
Jumping till I want to stop!

Chorus

God loves me, it's really true,
God loves me and He loves you!
So I'll sing and I will pray,
And walk with Him through every day.

Chorus

**Clap your hands, clap-clap-clap today!
Jump up high and shout "hooray!"
From my heart down to my toes,
I'll praise Him everywhere I go!
Clap your hands, clap-clap-clap today!
Jump up high and shout "hooray!"
From my heart down to my toes,
I'll praise Him everywhere I go!
I'll praise Him everywhere I go!
I'll praise Him everywhere I go!
I'll praise Him everywhere I go!**

Everyday Angels

Up in the sky are angels bright,
With shiny wings and robes of white.
But God sends angels here below,
In loving hearts we come to know.

**Everyday angels, kind and true,
Sent by God to help us through.
They love us, guide us, lead the way,
God's own angels every day.
Everyday angels, kind and true,
Sent by God to help us through.
They love us, guide us, lead the way,
God's own angels every day.**

Grandma's hug when days feel long,
Grandpa's words that keep me strong.
Teachers help me learn and grow,
Friends who care and kindness show.

Chorus

Helping hands when I fall down,
A happy smile instead of a crown.
Volunteers who give and share,
Spreading love is everywhere.

Chorus

They don't need wings to reach the sky,
God's love shines in every eye.
When they help us find our way,
I see God's angels every day.

Chorus

When I help and when I care,
I can be an angel there.
With loving hearts and things I do,
God's everyday angel—me and you!

The Lord's Prayer

Our Father up in heaven,
We send you all our love.
Thank you for your kindness,
From your home above.
Hold our hands and guide us,
Help us choose what's right.
We love you, heavenly Father,
Every day and night.

*Our Father, who art in heaven,
hallowed be thy name;
thy kingdom come,
thy will be done
on earth as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
as we forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.*

Our Father up in heaven,
Be with us as we pray.
Thank you for your blessings,
Every single day.
Teach us how to love and share,
And show us how to care.
We follow you, dear Father,
Knowing you are there.

Amen, amen, we softly say,
Thank you, God, for this day.
With happy hearts and hands held tight,
We pray with love...
Amen, good God

Before I Close My Eyes

Before I close my eyes tonight,
Before I turn off every light,
I take a moment, soft and slow,
To talk to God in whispers low.

**Thank You, God, for family,
For friends who play and care for me,
For all things great and all things small,
Thank You, God, for loving us all.**

Thank You for this happy day,
For fun and laughter on my way,
For yummy food and hugs so tight,
For keeping me safe through the night.

Chorus

And if today I wasn't kind,
Or spoke with words I shouldn't find,
I'm sorry, God, please help me see,
How even better I can be.

Tomorrow I will try again,
To help, to share, to be a friend,
With loving heart and happy face,
I'll share Your love in every place.

Chorus

**Thank You, God, for family,
For friends and love surrounding me,
I close my eyes, I'm safe and sound,
Good night, dear God, You're all around.
Amen... good night.**
