

# Donations to Ukraine

As the war in Ukraine continues, so do the tragedies which result from it: displacement, hunger, lack of access to medical needs, and the list goes on and sinfully on.

As Pope Francis said, “in that martyred country the need for humanitarian assistance is growing by the hour.” The Vincentian Family is making a number of concerted efforts to help those affected by this calamity.

Please consider donating generously to any of the following initiatives:

## Depaul Slovakia

*For immediate humanitarian aid, please donate to Depaul Slovakia, which is trucking goods deep across the border into the hard-hit areas of Ukraine as well as the centers in the Western part of Ukraine to which people have fled.*
